- 23 Waterpik Water Flosser**
The Easy and More Effective Way to Floss, the Waterpik Aquarius Professional Water Flosser is the most advanced water flosser ever. Featuring a new compact and contemporary design, the Aquarius includes on/off water control on the handle, an LED information panel, and 7 water flosser tips. New pulse-modulation technology

provides maximum plaque removal (Floss Mode) and enhanced gum stimulation and improved circulation (Hydro-Pulse Massage Mode). The convenient one-minute timer with a 30-second pacer ensures thorough water flossing of all areas. The Waterpik® Water Flosser is clinically proven to be more effective than traditional string floss and Sonicare® Air Floss (Model HX8181) for reducing plaque, gingivitis, and gum disease. And it's perfect for anyone with braces or implants, and those with crowns, bridges, and veneers. Accepted by the American Dental Association. Three-year warranty.

Value: \$80 Donated by Christine Piascik, DDS
